"tors that needed reform before the polum question was taken in hand that it might "safely be said that the abolition of opium "had not entered the minds of those ep-"trusted with the government of the om-" pire." On Sir TROMAS WADE'S further askng whother a gradual diminution of the pium supply from India, ending in its total abolition, would meet the approval of the Chinese Government, the same minister redied that in his opinion such a plan would be useless. "As long as the habit existed." le said, "opinin would be procured somehow. and if it did not come from India would be procured elsewhere. Any "sorious attempt to sheek' the evil "originate with individuels. As long as "men wanted to smoke and insisted "smoking, they would smoke .... Philanthronic efforts to check the evil in the manner suggested by Sir T. WADE "would'affect the revenue without in any way reaching the root of the mischief.".

As regards the sentiments of the common

people, the Rev. A. Bone, an English Protestant missionary who has lived many years in the province of Kwangtung, may be quoted. Among the masses of the people, Mr. Bone as to the paters of the service on which the pressed opinion on what is called the opinm question, nor any reiterated wish that England should not allow opium to be exported few instances the knowledge of the people of these matters is vague; on the other hand, while at street preaching be has heard the trade soverely condenned by intelligent Chinese; the small Christian churches unanimously wish that England should not permit the trade to continue. Mr. A high-class Fartifizer for Pot Plants and for himself regards the smoking of opium | near future. Further reverses to the army, and speaking in general terms, as baneful, but he says it is not correct to say that there cannot be any such thing as moderation, the banks to give notice that they intend to that he occasionally meets men who have withdraw their deposits at the and of the present smoked for years and are able to do their work well enough if they have their pipe hand to create a tremondon strain in the money regularly; on the other hand he knows market, the banks not unnaturally curtailing men who are regular opium sots. The general effect of the evidence given in that the alleged business. evil effects of opium smcking have been greatly exaggerated and that interference with the trade is uncalled for. There are opinions on the opposite side, of course The Rev. D. CHALMERS is "amazed that "any honest man can use the mouth or the band that God has given him to utter a "word in its defence." On the other hand Dr. ATECNSON, Superintendent of the Go vernment Civil Hospital, says that when smoked in moderation he has observed no ill effects from its use; on the other hand he considers that to many it is decidedly 120 beneficial; an opinion which seems to be shared by the majority of the local medical witnesses, though Dr. Ho KAI condemus the use of the drug unqualifiedly, as do the medical missionaries, some of whom admit, however, that it would be impossible to stamp out the liabit. It is generally understood that the report of the Opiniu No anonymently signed communications that have Commission will be to the effect that the make out their case, and it may be hoped city, and on every lip were the words of regret that the agitation that has been so actively and sympathy. ATTEMPTING TO COMMIT AUICIDE The Superintendent of the P. & O. Company also courteously informs us that he has received a telegram from Fonchow to the effect that the commit suigide on the 8th inst. port is closed to shipping and that stamers must new load at Sharp Penk.

THE CHINESE LOSS AT PING-TANG. The number of Chinese killed, wounded, and taken prisoners at Ping-yang (Fyong-yang turns out to have been much less than at first reported. According to the Nicht Nicht the number killed and taken prisoners at and subse-

quent to the capture was 2,685, and the number CHINESE STRATEGY. The atratagical and tastical methods of the Chinese troops in Koran do not improve upon physical suffering. Such a hapless termination acquaintance. From accounts sent by military of her ailment, however, came as a shock to her men, we learn that at Soug-hwan the Chinese pitched their tents and environed them with parapet. In the West when a parapet is erected. the earth to build it is taken from a treach in ness. As soon as the news was known every pos- front, this trouch constituting an additional barcible public demonstration of regret and esteem rier to the assaulting force. But the Chineswas made. At all the Consulates and over all the dug no ditches at Eong-hwan. They obtained earth by levelling inequalities in the ground where the tents were to be pitched or by parrying soil from elsowhere. The height of these breastworks show that they were intended for big men. They could not have been used conveniently by Japanese soldiers. Indeed, the flue physique of the Chicass braves may be inferred from the uniforms found at A.S. and now puby been more sincerely expressed towards the on view at the Shokon-sha, in Tokyo. Having erected the breastworks, the Chinese sat down the blaw the anoke into her fact and she be quietly behind them. They did not up came giddy and had to go to bed. parently think of throwing out skiemishers to 3 n.m. sho agoka and found that def udant barrass the enemy. They simply waited to be bad gone. She had a purse containing \$5 attacked. And the funniest thing is that before which she kept at the head of her bod, they opened fire they always raised a number tof imposed that purse and an umbrolla after the banners. The assailing force could easily that defendant's visit. See made a report at the critical moment when a shewer of had station, and in consequence, of that report de impended, for the preliminary of a host of arected barners could invariably by observed. evidence of respect. At prize distributions, They were armed with repeating rifles, and they seem to have made a habit of discharging all the cartridges in the magazine as fast he passible, for while their fire lasted it was a hail of bullet- and when it caused the culm conattraction of the lady of Government House tinued for a very perceptible interest. Their aim seems to have been even worse than that of surprise many people, for a goveral impression has hitherto prevailed outside Olden that the Chinese troops are excellent marksnen. Out thing can he dearly even from the state of the captured rifles, namely, that the soldiers took exceedingly bid care of them . They all show rust of long standing, and bear other marks of careless trentment. - Japan Mail
